## **Verse 1**

By faith we are sure,  
what we hope for we're certain of,  
though now we do not see.  
By faith we believe  
you created the universe;  
you spoke, it came to be.

## **Chorus**

By faith we will conquer,  
by faith we believe  
the battle belongs to you,  
so on our knees,  
by faith we will cry out,  
by faith you will save,  
by faith 'till forever  
we will live by faith!

## **Verse 2**

By faith Abraham,  
when you called him,  
obeyed and lived  
his life a stranger here.  
By faith he believed that  
a son he would sure receive;  
your promise had been clear.

## **Verse 3**

By faith Moses suffered  
along with the people of God,  
knowing life was short.  
By faith he regarded disgrace  
for the sake of Christ  
was well worth the reward.

## **Verse 4**

By faith people  
passed through the Red Sea;  
the walls of Jericho  
came crashing down.  
By faith conquered kingdoms,  
and justice was given,  
angels shut the lion's mouth.

## **Verse 5**

Though commended by God,  
these did not see the promise;  
it was saved,  
complete with us.  
As we all run the race,

with our eyes on the Savior  
'till the final battle's won!
