Verse 1

(He said)

He said to go to ev'ry nation.

He said, "Tell ev'ryone!"

He said to make them true disciples,
and then the job will get done.

Chorus

Go and make disciples of all nations,
Then baptize them in my name.

Teach them to obey all I have taught you,
And I am with you all the way.

Verse 2

(Teach them)

Teach them to bow
before the Father.

Teach them to flee from sin.

Teach them real love for one another.

Make them true fishers of men.

Verse 3

(Let's go)

Let's go to each and ev'ry nation.

Let's go tell ev'ryone.

Let's go and make them true disciples.

Let's go 'til this world is won.
