

# I AM BLESSED

*Presentation V1 V2 C V3 V4 C V5*

## **Verse 1**

Here in the silence  
I say a prayer  
Though I've never seen you  
Somehow I know you're there

## **Verse 2**

You're in the faces of the people that I meet  
You're as silent as the Earth beneath my feet  
So if I should complain  
That all I have is not enough  
Forgive me, I've been given so much

## **Chorus**

And I am blessed  
Every time I look into my baby's eyes  
I think of all the friends who've touched my life  
I realise in a world where  
Some have more and some have less  
I have love and I am blessed

## **Verse 3**

So many changes  
This world can put you through  
Sometimes it's hard to find a way  
If a heart can get confused

## **Verse 4**

But then I hold you and it all falls into place  
You've given me what time cannot erase  
So when I'm feeling down or feel sorry for myself  
I look around and it's easy to tell

## **Verse 5**

I realise (I realise)  
You've given me such peace and happiness  
In this world where  
Some have more and some have less  
I am loved  
And I am blessed
