

# I WALK WITH THE KING

*Alton H. Howard, 1971*

*Presentation V1 C V2 C V3 C*

## **Verse 1**

I walk with the King to heavenly land,  
the kingdom of light, the pathway of right;  
Eternal His throne forever 'twill be,  
To mansions on high a crown there for me.

## **Chorus**

I walk with the King through pastures so green,  
By quiet waters still to do His good will;  
He lighteth the way from darkness to day,  
I'll hold to His hand, I walk with the King.

## **Verse 2**

I walk with the King His child ever be,  
Glad tidings to bring, His blessings to see;  
His love floods my soul with glory divine,  
'Tis riches and wealth His treasures are mine.

## **Verse 3**

I walk with the King though dark be the way,  
He is the true light, the kingdom of day;  
Someday on yon shore I'll hear His voice say,  
"Come home, you're my child;  
'tis evening, past day."
