

# O HOLY NIGHT

*Presentation V1 C V2 C V3 C*

## **Verse 1**

O holy night, the stars are brightly shining;  
It is the night of the dear Savior's birth.  
Long lay the world in sin and error pining,  
Till he appeared and the soul felt its worth.  
A thrill of hope, the weary soul rejoices,  
For yonder breaks a new and glorious morn.

## **Chorus**

Fall on your knees,  
Oh, hear the angel voices  
O night divine,  
O night when Christ was born  
O night divine  
O night divine

## **Verse 2**

Led by the light of Faith serenely beaming  
With glowing hearts by His cradle we stand  
So led by light of a star sweetly gleaming  
Here come the wise men from Orient land  
The King of Kings lay thus in lowly manger  
In all our trials born to be our friend

## **Verse 3**

Truly He taught us to love one another  
His lay is love and His gospel is peace  
Chains shall He break for the slave is our brother  
And in His name all oppression shall cease  
Sweet hymns of joy in grateful chorus raise we,  
Let all within us praise His holy name
