

# PRAYER

*Presentation V1 V2 V3 V4*

## **Verse 1**

I pray, because I am tiny;  
I pray, because I understand your desire is important to me.

## **Verse 2**

I pray, I will not pretend;  
I pray, because I need your love;  
You care and understand every path of my life.

## **Verse 3**

There are things that I will only express to you, because you love me the most;  
During painful times, you will wipe away my tears.

## **Verse 4**

In the morning, I come before you, I live for Christ everyday;  
You will give me the strength that I need everyday, your grace is sufficient for me.
